

Ready Set Glow

1. NAIL REFORMATION is a press-on nail brand known for its trendy, salon-quality designs. With a wide range of durable, long-lasting styles, they are perfect for anyone who loves the look of high-end nails. Nail Reformation makes switching up your look effortless and stylish. Visit www.nailreformation.com and follow @nailreformation on Instagram.

2. Hair wash day made simpler. **AYIRA BEAUTY** develops research driven hair and scalp wellness products that help to leave your hair feeling hydrated, stronger and smoother. Whether your hair is straight, wavy, curly or coily, AYIRA BEAUTY has you covered. Discover more at ayira-beauty.com and @ayira_beauty on Instagram.

3. Introducing APEER: The new Danish skincare brand developed by dermatologists. Elevate your skincare routine with the new LIFT collection from Apeer featuring RetinART® technology. RetinART® is a clinically proven substitute for retinol, designed to avoid negative skin side-effects. Experience innovative skincare formulations and personalised luxury with their complimentary AI skin consultation available at apeerbeauty.co.uk and follow @apeerbeautyuk on Instagram.

4. HARA MEDICAL's Advance Eye Treatment uses patented peptides Argireline and SYN-AKE. It contains CoQ10, vitamins B, C & E and over 20 organic botanicals and plant butters. It aims to reduce the appearance of wrinkles. Visit www.greenchemistryinc.com and follow @greenchemistryskincare on Instagram.

5. The Ultimate 5-in-1 Leave-In Conditioner by JAMES JADE helps target the look of frizz and aims to leave your hair feeling healthier. Simplify your routine with this lightweight formula. Shop at www.jamesjade.com.au or follow @jamesjade.au on Instagram.

6. Whispers in the beauty world rarely echo this long. Sacred Glow Serum by **SACRED RITUEL**—a moonlit ritual born of the award-winning Sacred Serum—has quietly become the after-dark essential. For those who know, it's already on the vanity. Use code VOGUE25 for 25% off at www.sacredrituel.com (expires 16/06/25). Follow @sacredrituel on Instagram.

7. At ALSTELLE, their products are carefully crafted to help promote the look of healthy, glowing skin while making a positive impact on the environment. With every purchase, a donation is made to environmentally focused charities, allowing their customers to help support causes with every skincare routine. Join their mission to embrace eco-consciousness and make a difference for the planet. Visit www.alstelle.com and @alstelle_official on Instagram.

8. SHINE BRIGHT™ by BEE FACTOR is more than a cream — it's your daily light source. It contains stabilised Vitamin C, Niacinamide and Genowhite™ peptide. This product helps to leave your skin feeling hydrated with a brighter appearance. Greek-made and 95% natural. Visit beefactor.gr and follow @bee_factor on Instagram.

9. At THRODA SKINCARE, skin health comes first. The Face Barrier Serum harnesses patent pending technology, offering an innovative solution for modern skincare. This groundbreaking formula is meticulously crafted to target the skin barrier and microbiome, helping skin feel calm and enhancing the look of a more youthful and radiant complexion. Rich and luxurious in feel, Throda Skincare has perfected the art of combining everything your skin needs in one exquisite bottle. Elevate your skincare routine by visiting throdaskincare.com and following @throdaskincare on Instagram for exclusive insights and updates.

10. Founded in 2003 by Erica Chung, **3LAB** is a pioneering luxury skincare brand merging beauty with advanced science, to create innovative products. WW Day SPF 40 is a multi-functional gel treatment designed to offer broad-spectrum UVA/UVB protection, whilst aiming to combat the visible signs of ageing. Its lightweight formula is formulated to leave your skin feeling hydrated and looking radiant and prepped for makeup. Key ingredients include Bio-Engineered Renewal Complex and Apple Stem Cell Technology. Discover more at 3lab.com and follow @3labskincare on Instagram.

11. SUBMISSION BEAUTY's multifunctional Balm Shiny is plant-based, vitamin-rich, vegan, and scented with blood orange, bergamot and vanilla. It can be used as an eye and lip gloss, and to set precision looks with the brand's plant-based glitter. Visit submissionbeauty.com and @submission.beauty to explore their full zero-plastic line of glitters and highlighters.

12. Seeing a gap in the beauty industry to awaken your senses, makeup artist and certified nutrition esthetician Genelle Holub developed **FACE IT SKIN**, a neurocosmetic skincare line. Using active organic ingredients, it's about making skincare a self-care ritual! Discover more at faceitskin.net and follow @faceitskin on Instagram.

13. Finally, a brand that's fun for tweens and trusted by mums! **PIPA** is all about simple, safe, cool products, designed with Gen Alpha in mind. Visit www.pipastics.com and follow @pipa_skincare on Instagram.
